## NEW TERM - NEW CATALAN

THE CATALAN FAMILY JUST GOT BIGGER!

We're thrilled to welcome two new full-time members to our Catalan Soccer family - Sam and Maki. Having recently passed their Catalan Coaching Licences, Sam and Maki have been vital to our coaching team over the last 2 years which has earned them a place with us permanently. Their enthusiastic personalities and professionalism have been crucial to building our Catalan Culture. This provides HUGE benefits as it will improve your child's Catalan experience.

### NEW CATALAN FAMILY HUB!

Over the course of this term we have been developing and investing in our **NEW Catalan Family Hub** and started to introduce soft play equipment and large seating areas to welcome and allow you to enjoy Catalan with maximum comfort! But we aren't stopping there! The Family Hub is undergoing even more development, with goals, target games, Connect 4 and weekly challenges coming in September! We would love your feedback and welcome any suggestions for new additions to the Catalan Family Hub!

### NEW SKILL CYCLES - LONGEST TERM EVER

Cycles such as: - SharpShooter School - Passing Masterclasses- Defending & Bravery - Ball Mastery & Technical Workshops - Guided Games & Tactical Match Programmes - Aerial Mastery - 1v1 Battles.

### NEW CATALAN GAMEBREAKERS

To add a thrilling twist to our matches, we've introduced GameBreakers - powerups that can help kids gain an advantage over their opponents, just like in a video game!
